Hi Jatin,

The CCRs for the requested systems are attached. Let me know if you need anything else.

Teresa

Subject: Request CCRs for Crossett Area

Hi Ms. Lee and Mr. Stone,

May I please request the 2014 CCRs for the following communities near Crossett, Arkansas listed below?

Crossett Water Commission AR017
North Crossett Utilities AR022
Northeast Crossett Water Association AR023
West Ashely County Water Association AR878

Last year you provided copies of CCRs from 2003 to 2013 regarding drinking water systems near the Crossett area such that EPA Region 6 could write up a Crossett Water Report. EPA Region 6 is now working with the EPA's Office of Research and Development to collect data and information to determine if a cumulative risk assessment study can be conducted for the community of Crossett as part of the Administrator's Making A Visible Difference in Communities effort.

I do not foresee any drinking water issues in the area but want to include the 2014 CCR data in this data request.

Thank You,
Jatin
